WELCOME!

Dear students,

Bienvenue, welcome, bienvenudo, welcome... at the University of Réunion Island, the only French and European university in the Indian Ocean.

You have chosen an institution known for its international orientation, which is why we attract a growing number of students every year. At the heart of our universities' culture is the development and expansion of our relations abroad by offering a unique multidisciplinary education and research program.

We are also making a significant contribution to the development of an academic forum for higher education, research and innovation in the Indian Ocean by creating a network of universities supported by the Agence Universitaire de la Francophonie. This gives you the unique opportunity to study in tropical France and gain experience at an institution that is fully committed to serving its students.

In return, with your stay, you will give us the chance to develop the ambassadorial network of our institution. We could not imagine a better radiance abroad! You are the ones who embody our values of openness, excellence and cooperation. And you are the ones who will ultimately make Reunion Island a part of the world through your graduation.

So, for all of us, this is where an exciting voyage of discovery begins. Each and every one of you has an enormous potential not only to gain new experiences yourself, but also to personally inspire teachers, staff or fellow students at this university.

We hope that you will be able to enrich our university with your numerous valuable perspectives and resources during your stay and we wish you, dear students, a successful academic year.

Frédéric Miranville,
President of the University of La Réunion Island

Anne-Françoise Zattara,
*Vice-President Europe, International
And Regional Cooperation*

MEDIA AND DIGITAL - MD

SCIENCE AND TECHNOLOGY - ST

SPORT AND MEDICINE - SS

Course of the academic year:

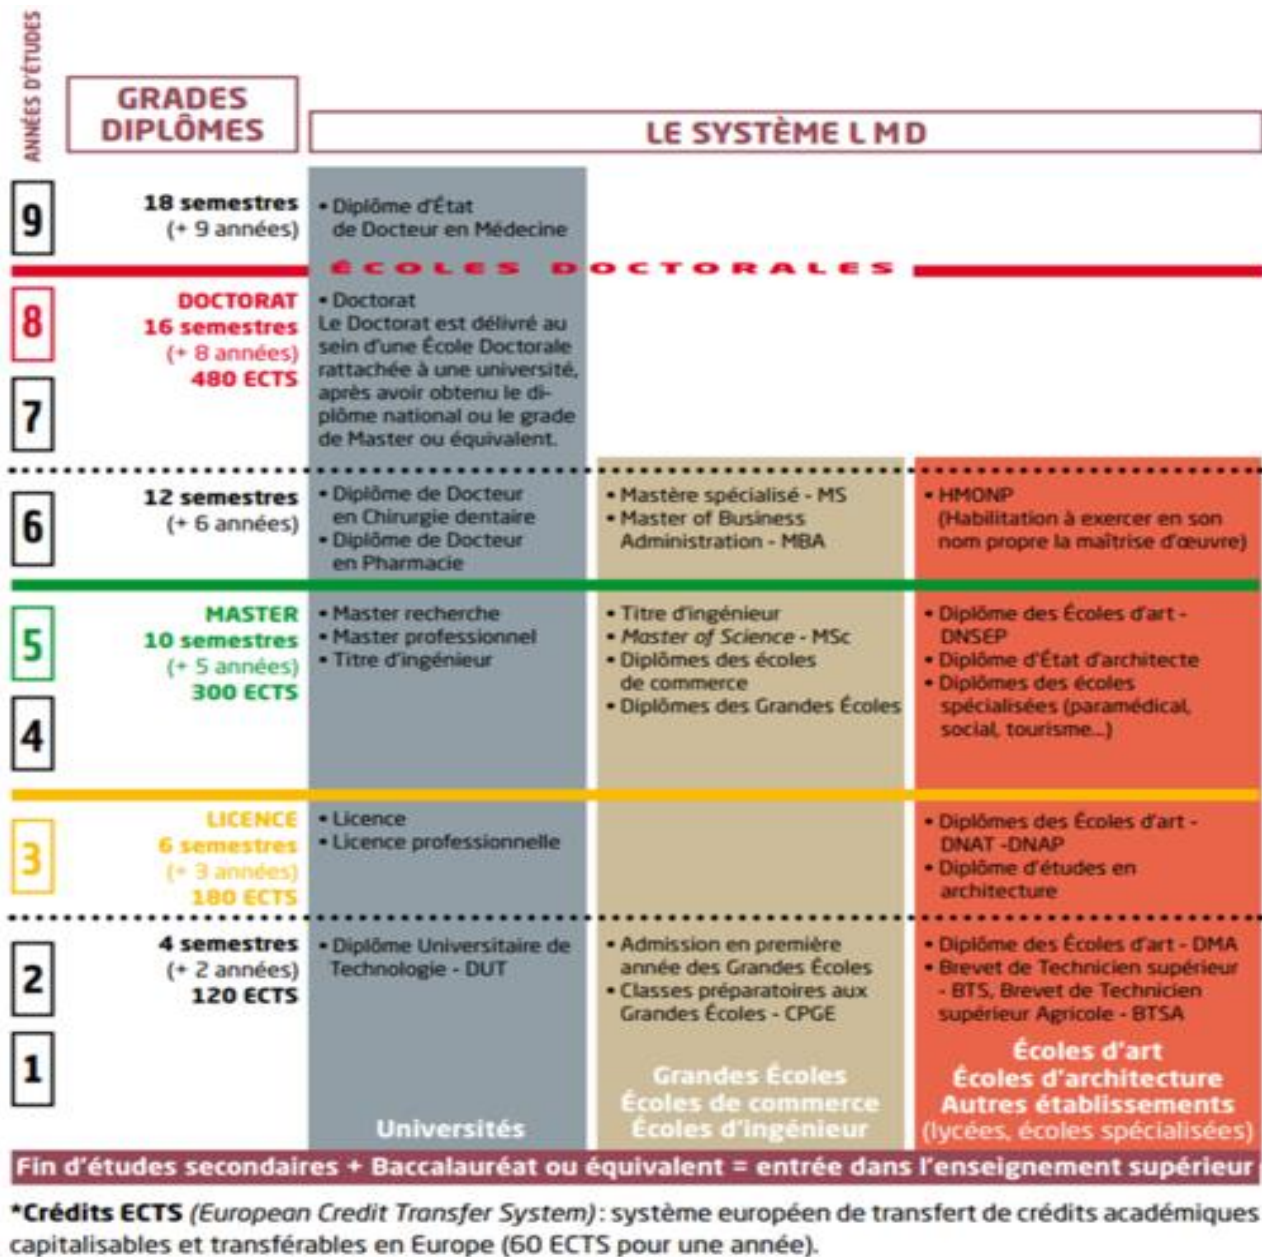

In France, the academic year does not follow the calendar year. Thus, at UR, the start of the academic year is in August and the year ends in July. The year is divided into two semesters: Semester 1 (S1) from August to December and Semester 2 (S2) from January to July.

OPERATION AND ADMISSION

HIGHER EDUCATION IN FRANCE

Pattern of higher education in France

<https://www.burundi.campusfrance.org/les-diplomes-en-france>

Grading and credit system:

In France, assessments are graded on 20 points, 10 being the average and minimum mark to be obtained to validate an examination.

France uses the European credit transfer system (ECTS) to make it easier to understand and compare studies undertaken by students from different European countries.

ECTS credits are accumulated each semester. One semester is equivalent to 30 credits, so one year corresponds to 60 credits, i.e. 1500 to 1800 hours of classroom study.

(1 credit is worth 25-30 hours of work).

APPLICATION

Erasmus+ Europe student

You have been given the green light by your university to study at UR. You will therefore need to complete:

- Our **electronic Erasmus application form**;
- The **study contract** (provided by your home university);
- The **application form for university accommodation** (if applicable).

The International Relations Department (DRI) examines these applications and sends you a reply with all the information you need to complete your application:

- The **letter of acceptance**;
- **Link for your administrative registration**;
- **Documents for your accommodation at the CROUS** (depending on the number of places available).

For more information on the Erasmus+ exchange programme, [click here](#).

1. Exchange students from outside Europe.
(ISEP, BCI, PPI, INHA, Meiji University, eMobi@Dg2).

ISEP

- Apply directly on the [ISEP](#) website and your application will be forwarded to the RU ISEP coordinator by ISEP Washington.
- Acceptance of the application is made by the ISEP coordinator.

Once your application has been validated, you will receive a letter of acceptance from the University of Reunion which will allow you to start the visa process.

For more information on the ISEP exchange programme, [click here](#).

BCI

- You should contact the BCI exchange office at your university.
- Then complete an **electronic application form** after the exchange service at your university has given you a personal access code.
- This form should be completed and submitted, together with all the documents required by the BCI, to your university's exchange office.
- We will inform you between **mid-May and mid-June by e-mail and by official letter** of our decision to accept or reject your application to our institution as a BCI student.

For more information on the BCI programme, [click here](#).

BCI
PROGRAMME QUÉBÉCOIS
D'ÉCHANGES ÉTUDIANTS

PPI

- You should contact the department responsible for PPI exchanges at your university.
- The department responsible for exchanges sends the University of La Réunion a list of nominated students enrolled in the undergraduate programmes (Bachelor's degree) in Biology.
- As soon as the list is received, the University of La Réunion will send you a link to apply online on its application platform and attach the required documents.
- We will inform you between **mid-May and mid-June by e-mail and by official letter** of our decision to accept or reject your application to our institution as a PPI student.

For more information on the PPI exchange programme, [click here](#).

INHA

- You must be selected by your university. Your university's International Relations Department will send us the list of nominated students.
- The University of La Réunion creates your account on the online application platform.
- You will receive an email asking you to confirm your account.
- You complete your application online.
- Once your application has been validated, you will receive a letter of admission from the University of Reunion, which will allow you to start the visa process.

For more information on the INHA exchange programme, [click here](#).

MEIJI

- You must be selected by your university.
- The list of selected students is sent to us by the international relations department of your university.
- The RU creates your account on the online application platform.
- You fill in your application form online.
- Once your application has been validated, you will receive an admission letter from the University of La Réunion, which will allow you to apply for a visa.

For more information on the Meiji exchange programme, [click here](#).

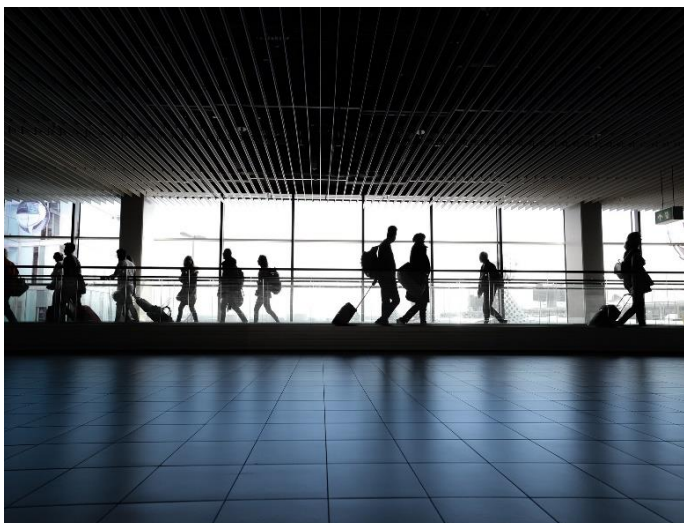

eMobi@Dg2

- Complete the online form to choose one or more courses offered by 13 universities from 8 countries on 4 continents.
- The host university you choose for the online courses receives applications and assesses each application according to academic criteria, available places and language level if necessary.

For more information on the eMobi@Dg2 Virtual Mobility Consortium exchange programme, click [here](#).

ARRIVAL ANNOUNCEMENT

When the e-candidate file is validated, an automatic e-mail will be sent to you asking you to complete the "arrival announcement form" if you wish to be met directly at the airport on your arrival in Réunion.

HOUSING

You apply for accommodation directly on the e-candidat platform. There you will find all the documents you need to download and complete:

- The convocation
- The hosting contract
- The admission paper
- The decision of admission
- The financial annex

2. International students outside exchange programmes and outside the EU/EEA

APPLY FOR 1ST YEAR

- You must follow the procedure of the [application for prior admission](#) (DAP) to continue your studies in France in the first year of a degree course.
- Applications should be submitted to the **Cooperation and Cultural Action Department of the French Embassy in your country of residence.**
- Do this as soon as possible and check your personal space on the Campus France website regularly to avoid missing deadlines.

APPLY DURING THE COURSE OF A BACHELOR'S, MASTER'S OR DOCTORAL DEGREE

- Contact directly the higher education institutions that interest you.
- Consult the Campus France [Bachelor's](#), [Master's](#) or [Doctorate](#) catalogues to obtain their contact details.
- The institutions will inform you about their application procedure.

If your application is successful, you will receive a document confirming your admission. As soon as you receive this document, you can start the procedure with the French Consulate in your country of residence to obtain a visa.

Apply for a student visa if your admission is for a Bachelor's or Master's degree; apply for a talent passport visa if it is for a PhD.

Information available on the Campus France website:

<https://www.campusfrance.org/fr/candidature-etudiant-non-europeen-resident-hors-pays-UE-sans-procedure-etude-en-france>

If you are already living in France (e.g. Reunion Island):

- You must collect the Demande d'Admission Préalable (DAP - Green File) from the DEPF (the University's Registrar's Office) or from this website:

<https://www.enseignementsup-recherche.gouv.fr/fr/dossier-vert-demande-d-admission-prealable-dap-pour-une-premiere-inscription-en-premiere-annee-de-46347>

ADMINISTRATIVE REGISTRATION

REMINDER: to join UR, you must have at least a B2 level in French.

1. Exchange students (Europe and outside Europe)

Registration at the UR is compulsory. It will be done online via the internet link sent by the DRI to obtain your student card on arrival. It will allow you to benefit from numerous discounts offered to students on campus and to receive the Aide Personnalisée au Logement (APL)

NOTE: for exchange students, registration fees and the CVEC are exempt.

2. International students outside the exchange programme

Registration to the UR is compulsory. It will be done online.

Follow the procedure for the situation you are in.

You are in a country with a Campus France area:

Registration is done online via the DEPF website with your Campus France login name.

You are in a country without a Campus France area and/or already residing in France:

For a first registration in L1 or in the first year of BUT (Ex-DUT) or PASS & LAS (Ex-PACES), the school office will provide you with an access to the site. For all other registrations, this is done on the e-Candidat platform.

NOTE: You will have to pay the CVEC (student life and campus contribution) which amounts to 95€ as well as the registration fees for your course. This is 170 euros for Licence courses and 243 euros for Master courses.

Exchange students (Europe and outside Europe)

Once you have arrived at UR, you must validate the courses you will follow and reach the number of ECTS necessary to validate your mobility.

To do so, you should consult the **UR training offer** on the website: <https://www.univ-reunion.fr/choisir-sa-formation/trouves-la-formation-qui-te-convient/pour-les-etudiants-internationaux/>

Depending on the exchange programme and the type of mobility, certain courses may be imposed, thus encouraging a better understanding of the French language and a better knowledge of Creole society. It should be remembered that all courses are in French except for certain EU courses, particularly those in foreign languages.

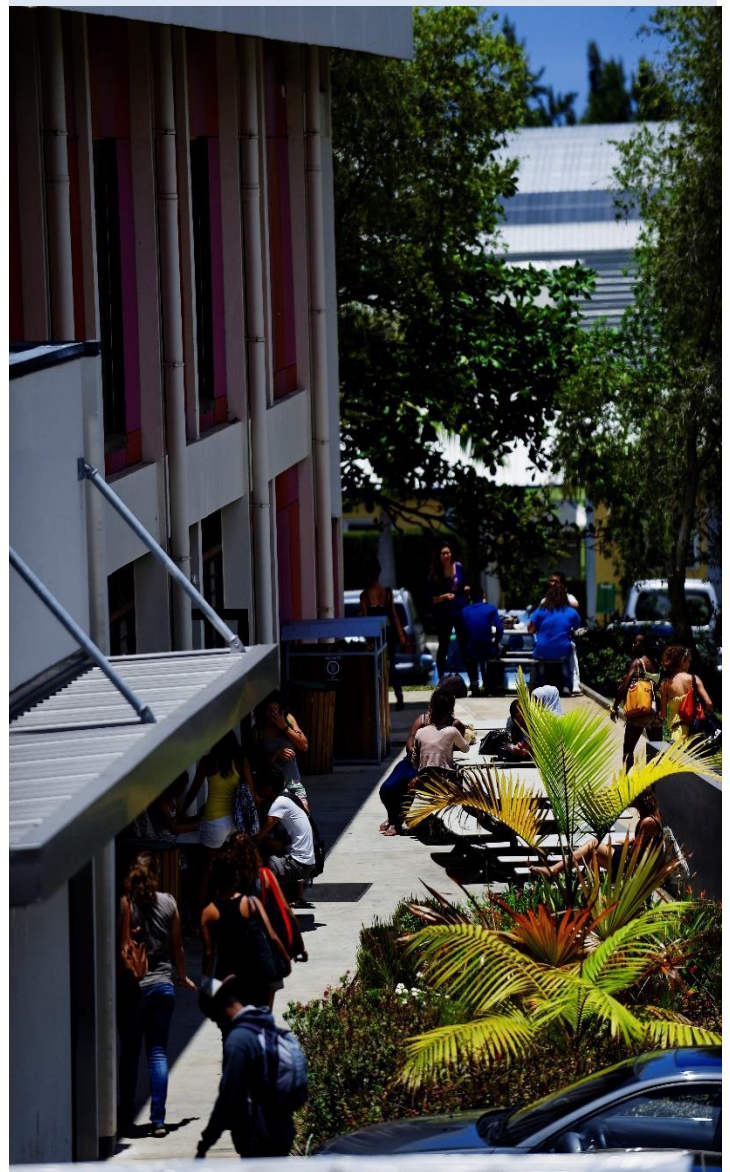

We strongly advise non-French speaking foreign students to follow the courses in:

- French as a Foreign Language (FLE).
- Theme/English version.
- Course in English: "An Introduction to the Natural Environments and Society of Reunion Island".

International students outside the exchange programme

Once your administrative registration is complete, you will need to validate your pedagogical registration (choice of courses): <https://www.univ-reunion.fr/choisir-sa-formation/trouves-la-formation-qui-te-convient/pour-les-etudiants-internationaux/>

To do this, you must contact the **teaching department of your UFR**. We invite you to go directly to the department to complete the relevant documents.

VISAS AND RESIDENCE PERMITS

Depending on your nationality, your situation and the length of your stay, you may need a visa to study or research in France or to return after graduation.

Official website for visas to France:

<https://france-visas.gouv.fr/web/france-visas/accueil>

EU/EEA students

Students holding a passport issued by one of the countries of the European Union or the EEA are exempted from visa requirements to stay in France.

Students from outside the EU/EEA

If you are a foreigner and want to study in France, you must first apply for a **long-stay visa** with a **residence permit (VLS-TS) mentioning student** (valid for 4 months to 1 year).

After 1 year, you can apply for a temporary student residence permit (valid for 1 year) or a multi-annual student residence permit (valid for 2 to 4 years).

For more information on this process, [click here](#).

FLE INTEGRATION CAMPUS

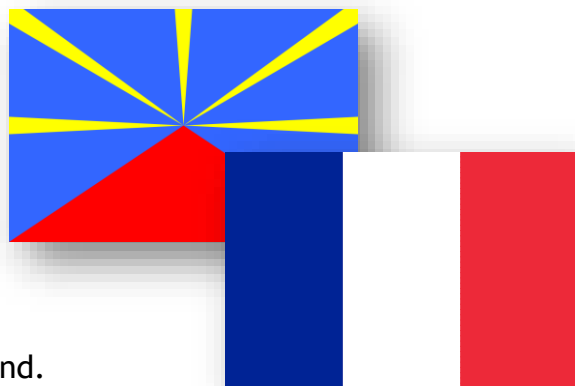

Before the start of each academic year, an 8-day FLE (French as a Foreign Language) integration campus is organised for international students enrolled in an exchange programme at the University of Réunion Island.

The aim is to prepare you for life in Reunion Island, a French-speaking department, and to help you integrate into the courses taught in French at the University (Français à Objectif Universitaire).

ORGANISATION

Each day you will participate in various sessions:

- Session 1: The university campus.
- Session 2: Settling in France and daily life.
- Session 3: Studying at the University of La Réunion Island.
- Session 4: The organisation of courses.
- Session 5: The digital tools of the University of Reunion Island/ communicating well.
- Session 6: Working methods.
- Session 7: University written productions.
- Session 8: Discovering La Réunion.

THURSDAY CAMPUS TOUR

The **Thursday Campus Tour** “Jeudi Campus Tour” allows students **outside the exchange programme to** benefit from a guided tour of the Moufia Campus by a student of the University of Réunion Island every Thursday afternoon

A list including all the details will be circulated for registration.

WELCOME

Reception at the airport

The DRI can take care of your transfer from the airport to the CROUS or to the city centre of Saint Denis. Please note: no reimbursement will be made if the transfer is made outside the framework established by the DRI.

In this case, plan your arrival between Monday and Friday (it is advisable in the morning) so that you can be welcomed. When you arrive at the airport, you should go to the information desk.

Below is the Car Jaune bus network, for students who have to study on the South Campus of Le Tampon and St Pierre.

For travel between Roland Garros airport (RUN) and Saint Pierre

ASSOCIATIVE ACTIVITIES

Meet people? Have an activity after class? Working on projects?

There are more than twenty student associations at the university which allow students to carry out activities, set up projects, propose events and experience sharing and community life.

For more information on community life, [click here](#).

MAISON DES LANGUES (MDL)

The “Maison Des Langues” (MDL) is a transversal structure accessible to all publics: students, staff of the University, trainees, within the framework of agreements with partners, any other public wishing to learn a language or to improve their skills.

It has two branches on the island: one in the north, on the Moufia campus, and one in the south, on the Tampon campus.

For more information about university degrees, non-degree courses, certifications and the English plan, [click here](#).

MAISON DES ÉTUDIANTS (MDE)

The “Maisons Des Étudiants” are student-run spaces, entirely dedicated to students, where they can meet up, find out about the university, upcoming events, take part in cultural or sporting activities and work completely independently.

The University of La Réunion sites of Le Moufia, IAE, IUT Bellepierre, Le Tampon and Terre-Sainte have a Student Centre.

For more information about the Maison des étudiants, [click here](#).

RESTAURATION

In the north, in Moufia, you will find two university restaurants, Hippolyte Foucque (open during the evening) and La Bourbonnaise (open at noon), Price: 3,30€ for a social meal, composed of a starter, a main course and a dessert.

There is also a cafeteria, Le Croustillant.

In the centre of Saint-Denis, at the IAE, you will also find a cafeteria. On the Tampon campus, you can also have lunch in the university restaurant and cafeteria.

Find all the information on catering at CROUS by [clicking here](#).

HEALTH SERVICE (SUMPPS)

Your health is a major asset for your success. In order to feel good about your body, your mind and your environment, the medico-psycho-social team is at your service with awareness-raising and prevention activities, health service services and support adapted to your disability.

Opening hours:

North Campus (Moufia):

RESOURCES

The Pass' Kampus

Your student card takes the form of a multi-use card called "[Pass' Kampus](#)".

It allows you to :

- Access to your CROUS accommodation;
- To pay for your meals at the CROUS (restaurant or cafeteria) via the IZLY application (transfer) or via electronic banking (cash reload);
- To make photocopies.

All the information concerning the procedure to follow can be found at www.izly.fr under the heading: "How it works".

Email address

As soon as your administrative registration has been validated, you will receive an e-mail containing your student login name: e-mail address and password. They will be useful to connect to the Wifi and to your ENT.

Wifi

The wifi is freely available on the different campuses. The main network is called EDUROAM. You can also use Kampus (especially in the halls of residence).

Digital Working Environment (ENT)

The ENT is a personal space that allows you to get information; to access your virtual office; to access courses, exams and assessments (Moodle); to access documentary resources, thematic universities, exam annals; to obtain information on schooling, grades, timetable, your administrative file...

It is possible for teachers to provide material related to their courses, but this is not automatic. For more information on how to log on to ENT, [click here](#).

ACCOMMODATION

Accommodation in university residence

Exchange students:

The DRI is responsible for managing your file with the CROUS. They will be your contact person.

Non-exchange students:

As you are fully registered at the University, you will have to deal directly with the CROUS. You can find all the useful information on the following link: <http://www.crous-reunion.fr/logements/>

NB : The CROUS only provides the furniture (mattress, chair, desk etc), however, bedding and kitchen utensils are not provided. This remains at your expense.

TO KNOW:

The CLÉ (student rental guarantee) is a **state guarantee** that allows students without personal guarantors to facilitate their access to housing.

The scheme can benefit all students:

- With an income but without a family, friend or bank guarantee.
- Under 28 years of age on 1st September of the year in which the lease is signed;
- Over 28 years of age on 1st September of the year in which the lease is signed, provided that they are doctoral students or post-doctoral students of foreign nationality (doctorate obtained less than 6 years ago, occupying a non-tenured research post within a research unit or laboratory under a fixed-term contract).

For more information on the CLÉ scheme, [click here](#).

The Visale guarantee exempts the tenant from presenting any other guarantee to the owner, the service is completely free

For more information on the Visale guarantee, [click here](#)

Housing outside student accommodation (private sector)

If you are not accommodated by CROUS, we can provide you with a list of private landlords that previous international students have used.

- A rental agreement (lease) will be drawn up setting out the amount of rent, the duration and the conditions of the rental;
- You will need to take out insurance for your home;
- The rent is paid on the first day of each month.

Hotel

If you have not found accommodation before your arrival in Réunion, you will need to plan for nights in hotels. You will find addresses on the website of Ile de La Réunion Tourisme (IRT): <https://www.reunion.fr/planifier/ou-dormir/hotels>

Housing assistance:

Whatever your accommodation (university or private), as soon as you obtain your lease, you can apply to the Caisse d'allocation familiale (CAF) for personal housing assistance (APL), which will reduce your rent: [simulation](#)

Health insurance

(Also known as social security)

You do not have to join the French health insurance scheme if:

- If you are a **national of an EU or EEA Member State**, you must produce proof of affiliation: European health insurance card or private insurance.
- If you are a **student enrolled in higher education in Quebec**, you must produce Form SE401Q106, which is a certificate of affiliation to the social security system.

INSURANCE RECAP :

- Health insurance: social security or European coverage.
- Housing insurance
- Insurance.
- Civil liability.

You are a **foreign student from a non-EEA country** (and your stay lasts more than 3 months): to benefit from health coverage you must join the French health insurance scheme and register on the site to compile your file.

To do so, you must go to: <https://etudiant-etranger.ameli.fr/#/>

You will find all the necessary explanations on the following link:

<https://www.ameli.fr/assure/droits-demarches/etudes-emploi-retraite/etudiant/vous-venez-etudier-en-france> It's free and mandatory!

Mutual Insurance

Health insurance only covers part of the costs you may incur.

In order to be reimbursed for the costs incurred, you can take out a "complementary health insurance", also known as a "mutual insurance". This is highly recommended.

You will find private insurance companies but you can also apply for [Complémentarité Santé Solidarité](#) a government delivered insurance

For more information, [click here.](#)

Civil liability

You will need to take out third-party insurance on arrival. This is a compulsory insurance policy that covers you in the event of unintentional injury.

It is possible to subscribe to it through your bank, your insurance company (the one of your home and/or mutual insurance company).

THE BUS

This is the only mode of public transport. The bus companies are the following:

- North : CITALIS
- West : KAR'OUEST
- Southwest : ALTERNEO, KARLAVIL
- South : CARSUD
- East : ESTIVAL
- Car Jaune: the whole island

[Click here](#) for the map and timetables of these bus networks.

[Click here](#) to see the map of the Car Jaune network.

It is highly recommended to download the CarJaune application to have all the information on the network

It is possible to obtain the **Réuni'pass Etudiant card**, which allows students to use all the above-mentioned transport networks on the island, **free** for students

Registration can be done online, [click here](#).

Once you have received the notification, you can then collect your card from one of the 9 points of sale available to you, and make your payment (Bus stations in: Saint-Pierre, Saint-Louis, Saint-Paul, Le Port, Saint-Denis, Saint-André, Saint-Benoît and sales points in Saint-Leu and Saint-Joseph). Cheques from foreign banks are not accepted.

THE CAR

There are many car rental companies, as this is often essential for certain journeys to higher ground and to isolated hiking routes.

To rent a car you must be over 21 and have had your driving licence for at least one year. A deposit is usually required. A credit card is required for the deposit.

For more information on transport, [click here](#).

Driving in France with a foreign licence

It is possible to drive with a foreign license as long as you have student status and the license must have a French translation

For more information about the specific rules for your driver's license, [click here](#).

PHONE

In La Réunion, the telephone works in the same way as in mainland France. You can use your own number but beware of the high cost!

Ask your mobile operator about the conditions for using your mobile phone overseas.

Alternatively, you can contact SFR, Orange, Free and Only which are the mobile operators present on the island of Réunion. (Monthly subscription or prepaid card).

Tip: SFR and Orange respectively own RedbySFR and Sosh, two strictly online companies that offer much more affordable rates.

For more information, [click here](#).

GOOD TO KNOW :

- From Reunion Island to your country, dial 00 + your country code + the number of the correspondent;
- To call from abroad (other European countries and Canada) to Reunion Island, dial 00 262 + the number of the Reunionese correspondent (without the 0 and beginning with 262 for a fixed line and 692 or 693 for a mobile)

GROCERY

There is a student solidarity grocery shop on the Moufia campus. The grocery shop is located in the CROUS campus 2, opposite the footbridge to the BRED barge.

You can access it freely without any conditions as long as you are a student.

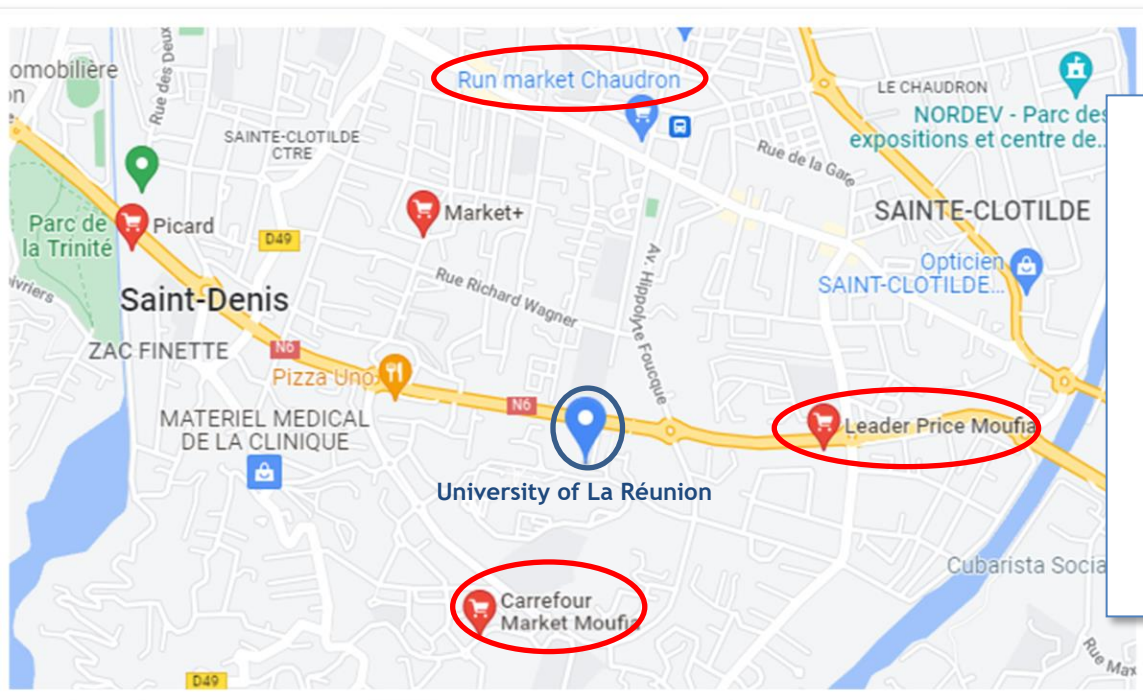

You will find a wide range of products with prices varying from 0.10 cts to 4 euros.

Timetable :

from 12 pm until 10 pm , 7 days

SUPERMARKET

There are supermarkets around the University of La Réunion that are accessible without using public transport.

- Run market Chaudron
- Leader Price Market and Carrefour Market Moufia.

FINANCES

Bank account

To open a bank account when you arrive in La Réunion, find the banks present as well as the contact details and opening hours of the bank branches [here](#).

To open an account, you will be asked to provide documents and evidence, including:

- A copy of your passport and visa.
- A copy of your student card (or registration certificate).
- A copy of your accommodation certificate.

If you use the bank account of your home country:

Remember to inform your bank before your departure in order to check your possibilities of withdrawing money and using your bank account in La Réunion (France).

JOB STUDENT (Plan Anglais)

The MDL is in partnership with the town hall of Saint-Denis and offers exchange students the opportunity to work in the town's nursery and elementary schools. This is the English Plan Project, which will allow you to work in the classrooms during lunchtime (between 11:30 and 13:30).

The remuneration is €21.45 net per intervention and for recruitment, you will only need to apply online and attend an interview.

For more information, [click here](#).

ATTENTION: If you wish to work during your stay and you are not a national of a European Union member state, you must obtain a **residence permit** from the Prefecture.

FOR STUDENT LIFE AND INTEGRATION

ISRUN - International Students of Reunion Island

ISRUN is a student association dedicated to international students, which was created in September 2017. Most of its members have been mobile abroad during their studies at UR and aim to welcome and facilitate the academic and social integration of international students at UR. ISRUN helps with administrative procedures and aims to bring international students closer to local students and their culture by organising cultural and historical evenings and outings. The association is also involved in promoting international mobility.

More information:

<https://www.univ-reunion.fr/international/actions-associatives-envers-les-internationaux/isrun-international-students-of-reunion-island>

AEMR - Association of Malagasy Students in Reunion

The AEMR is a student association, affiliated to the University of La Réunion, domiciled at the CROUS of La Réunion, which has been present in the student landscape since 1994. The members - all people without distinction of origin, gender or convictions - share a common interest: Madagascar. They are guardians of Malagasy culture and aim to preserve and promote their identity within the university community.

The association's activities include helping and advising new students, various outings and activities to discover Reunion Island, participation in cultural events and the organisation of a cultural week at the University.

More information:

<https://www.univ-reunion.fr/international/actions-associatives-envers-les-internationaux/titre-par-defaut>

AECR - Association of Comorian Students in Réunion

The AECR, created in 1994, aims to present and defend the interests of students of Comorian origin while trying to maintain permanent contacts between the students and the Comorian community present on the island in order to promote cultural and sporting exchanges, etc.

Since its creation, the association has never ceased to organise or participate in various cultural activities (festivals, exhibitions, sports tournaments, conferences), whether at the University of La Réunion or elsewhere on the island.

They are now among the associations of the CROUS and the University of Reunion, i.e. those who work to improve campus life and animation.

BRUN'S REUSSIR - Association of African Students of Reunion Island

Brun's Réussir, founded in 2017, is based on the better integration of African students on the island of Reunion and their entrepreneurial support. It is intercultural, "inter-social" and international.

More information:

<https://www.univ-reunion.fr/international/bruns-reussir>

BUDDY SYSTEM

The Buddy System is an online platform that connects international students with local students through mentoring.

Would you like someone to help you (documents, accommodation, jobs)?

Would you like to experience the local culture and practice the language? Would you like to meet local students? International student, become a mentee!

With the BuddySystem, we will find you a Buddy to help you and share his experience in this new city!

Once you have arrived at buddysystem.eu, you need less than 5 minutes to register by providing basic but essential information about your profile (place of study, age, sex, hobbies, arrival and departure dates, etc.).

www.buddysystem.eu

Then, the local coordinator in your city will be able to assign you a Buddy (a local student if you are abroad or an international student if you are a local) corresponding to your expectations with the help of our algorithm!

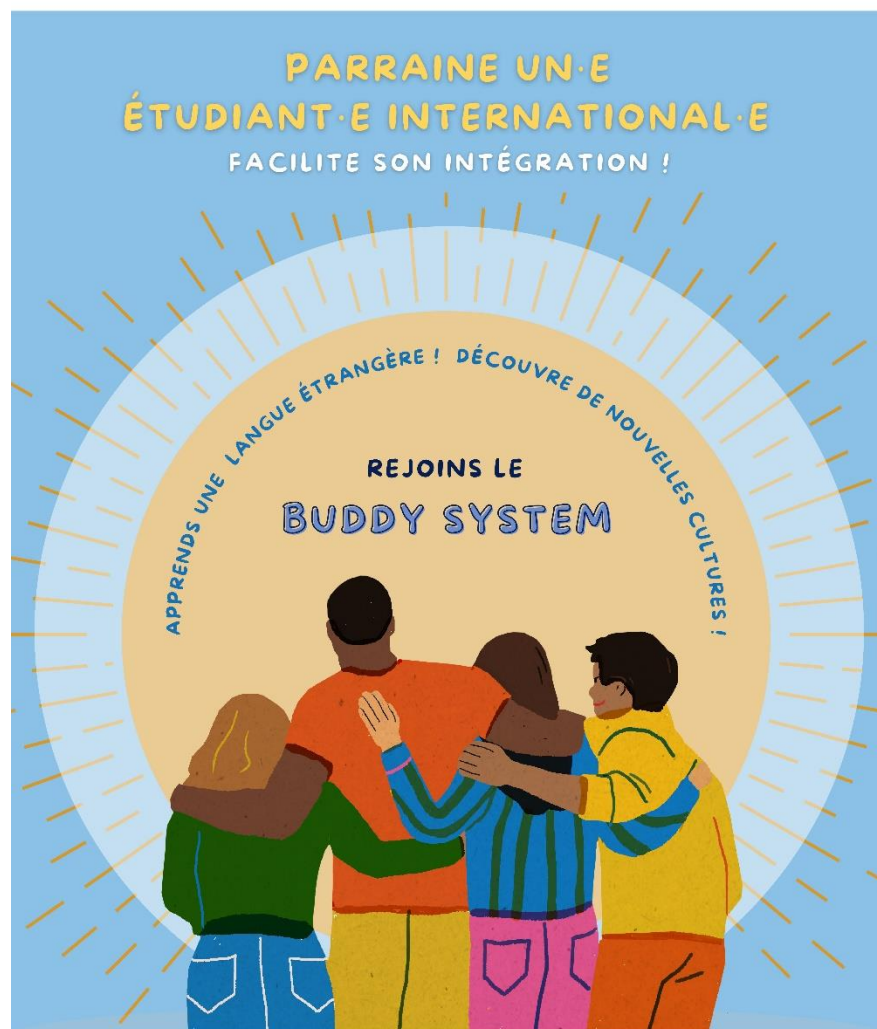

Finally, all you have to do is get in touch with your Buddy, share the BuddySystem experience with him/her and take advantage of the services and events offered on the Platform!
